

How to Schedule Your Service Appointment Online at Young Mazda Utah

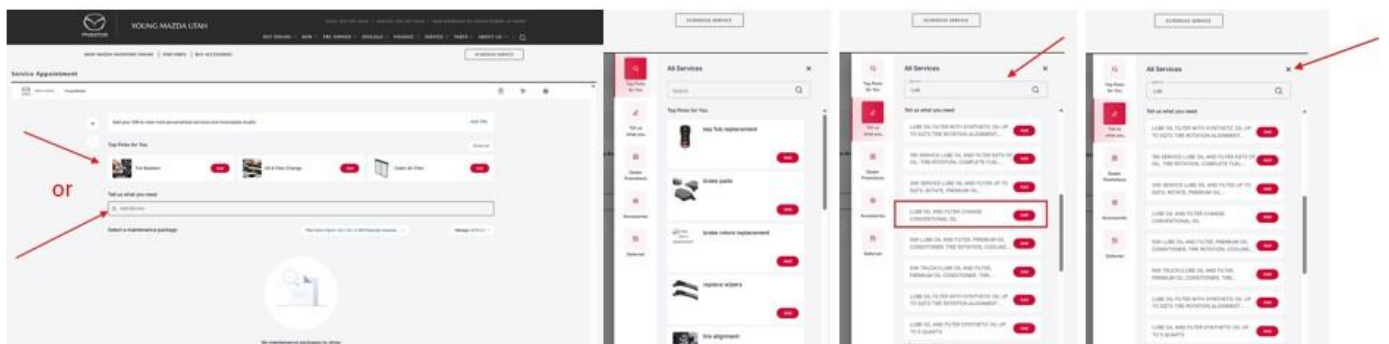

1. Enter phone number

2. Select your vehicle from the list, search for your vehicle, or enter the vehicle year, make, & model.

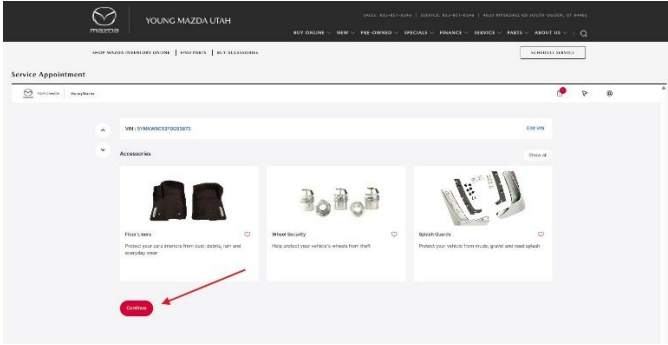

3. Select the service that you want from the menu. If you don't see it there, you can use the search bar to find it. A basic oil change would be under "Lube, Oil, Filter" As you begin to type, the menu items that match will begin to appear. Once you have selected your service, close the menu with the "X" in the top right corner. Then scroll down and hit "Continue"

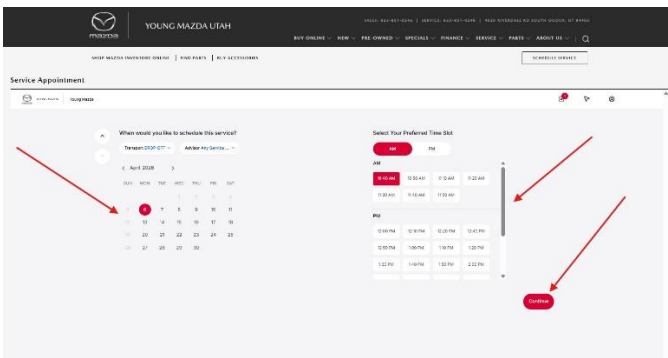

4. (Optional) You will see multiple places to update or add your vehicle miles.

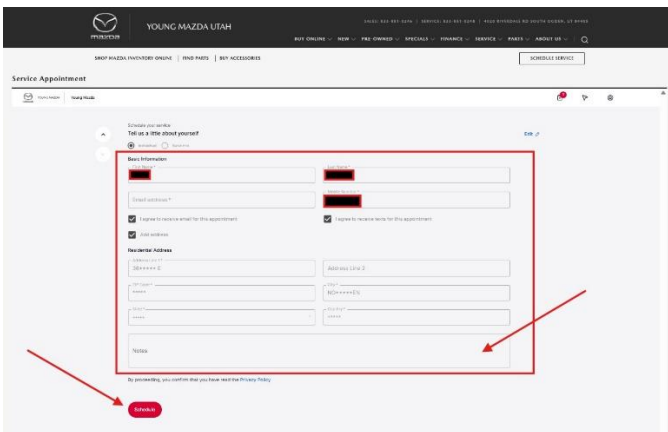

5. The next page may show you an accessories sale. You can scroll down and hit “Continue” to move on.

6. The next page is where you will choose the date and time for your service. Once you have chosen, hit “Continue” at the bottom of the page.

7. The final page will have your information on it. Please make sure it looks correct. If you are new to the system, you can enter it here and we will save it for you. Then scroll down and hit “Schedule”

8.

That’s it! You are done in 8 quick and easy steps. This will take most of you about 30 seconds to complete. Those with more information to enter will take a little longer.
